CLASSROOM SPECIFIC INFORMATION

EAGLES FOURS

Welcome to SSA!

SSA strives to create a safe learning environment filled with love and encouragement

...

At SSA your child will have the opportunity to grow mentally and physically. We believe that honest communication is the best way to build a strong relationship with our SSA families.

...

We treasure the opportunity to be a part of your child's learning experience and welcome you into our SSA Family!

Growth and Development

In the Fours rooms you can expect to find us...

Practicing Sight words

Learning about patterns

Taking nature walks

Learning to Read

Writing

Having Show-N-Tell

In the Pre-K stage your child will begin to improve his or her grammar, cooperate with other children, and will enjoy doing new things. Each of our classroom activities help bring your child to his/her individual potential and help prepare them for Kindergarten

Zoophonics

Zoo-phonics® uses animals drawn in the shapes of the letters for ease in memory. A related body movement is given for each letter. This concrete approach cements the sounds to the shapes of the letters. Lowercase letters and their sounds are taught first (needed 95% of the time in text), capital letters and letter names are taught later.

Zoo-phonics® also provides a springboard for all other academia such as math, art, music, cooking/nutrition, social studies, science, grooming, physical education and sensory/drama.
